ANY SPECIAL NEEDS OR COMMENTS ABOUT YOUR DOG WE NEED TO KNOW:

WE REQUIRE THE FOLLOWING VACCINES BE CURRENT PRIOR TO YOUR DOGS VISIT: RABIES, DA2PP, LEPTOSPEROSIS, BORDATELLA AND A NEGATIVE FECAL. FECAL TEST MUST HAVE BEEN DONE WITHIN 60 DAYS PRIOR TO YOUR FIRST VISIT. PLEASE ATTACHED YOUR DOG'S MOST RECENT MEDICAL RECORD OF VACCINATIONS THAT MEETS OUR REQUIREMENTS TO THIS APPLICATION.

PLEASE READ OUR FOLLOWING POLICIES

I ACKNOWLEDGE, UNDERSTAND, AND AGREE TO THE FOLLOWING:

My dog is in good health and has NOT had a communicable condition in the last 30 days.

My dog has never harmed or shown aggression or threatening behavior towards a person. If the safety or well-being of your pet and/or an employee is in jeopardy, safety precautions may be used, services refused or discontinued.

I have read the vaccine requirements of All About Dogs and I understand that my dog must meet all requirements in order to be a guest in our overnight boarding or doggy daycare. All About Dogs does not have vaccination requirements for dogs using our grooming services.

I am aware that vaccines DO NOT protect against all communicable illnesses and that there is always the possibility that my dog may contract an airborne or viral infection or illness while in any public environment, including All About Dogs.

I am solely financially responsible for any problem, harm or damage caused from my dog or to my dog by another dog during their stay at All About Dogs. If my dog causes damage to the property during their stay, that would leave an area unsafe for my dog or future guests, I agree to pay reasonable fees for repair.

In case of an emergency situation or injury, All About Dogs will contact me or my emergency contact immediately. If immediate emergency medical attention is required, All About Dogs is authorized to transport my dog to the nearest emergency animal clinic facility, along with contacting my veterinarian, if they are available. All About Dogs will provide treatment as deemed best by the management and I will assume full financial responsibility for any and all expenses involved in the treatment of my dog.

I understand that if I use All About Dogs grooming services and my dogs coat is matted or in poor condition, All About Dogs will use it's best efforts to minimize the effects of de-tangling and de-matting. However, de-matting or coat removal on matted pets is a delicate and slow process which may present certain post-grooming risks including but not limited to; itchy skin, discolored skin, cuts, scrapes, burns, rashes, and skin irritations. All About Dogs shall not be held responsible for minor nicks, burns, or irritations resulting from the removal or grooming of matted, neglected coats. I also understand that long stays in the grooming salon where a substantial amount of time is spent not actively being groomed may require a day sitting fee. Doggy daycare and kennel day sitting are available to clients that meet vaccine requirements.

I release All About Dogs and their staff from all liability of any kind whatsoever, as long as reasonable precautions and care are taken.

I acknowledge that I have read and understand the above rules and policies and accept the terms and condntions of All About Dogs' policies.
