

Lilly Belle

Owner's Name: Laurie B.

Name & Breed: Lilly Belle, a mini Aussie Doodle. We call her "Wiwee" (we wuv Wiwee) or sometimes we call her "B" or "BB"

Birthday: January 9, 2017 in Mississippi. She is a southern Belle!

Favorite Activity: Lilly's favorite activity is no surprise to her wonderful friends at All About Dogs. She loves running around, playing with friends, playing ball, smelling the flowers and jumping in the bushes!

Favorite Food: Lilly's favorite foods are lamb, beef, and chicken. She also likes to chew (or play with) crunchy romaine lettuce leaves.

What makes her special? Lilly is special because she is so friendly! She loves to greet people and other dogs in the park. She loves to say "hi!" and becomes instant friends with the dogs she meets!

What is the funniest thing he has ever done? Lilly is funny! When Lilly is chewing on something that she is not supposed to be chewing on, I will take the item away from her and replace it with her fuzzy peach bunny. One day I was looking for my pair of slippers. When I looked down at them, there was only one slipper instead of two. Very neatly placed next to my one slipper, was Lilly's peach bunny!
