

Cannon

Owner's Name: Lucy

Name & Breed: Cannon,
Labrador Retriever

Birthday: Jan 17th

How did your dog become a part of your family? I fell in love with his face online.

Favorite Activity: Running in the woods or chasing ducks and chickens.

Favorite Food: Dog treats, popcorn, cheese.

What makes him special? He loves everyone! He plays with dogs, cats, chickens and ducks. He also likes to eat their food.

What is the funniest thing he has ever done? Cannon got his name by running so fast down a hill that he started rolling like a cannon ball!! He also thinks he can fit into small spaces and gets stuck.
