### APPLICATION PROCESS

- 🐾 Complete the application form prior to your dog's visit. If you have more than one dog, you must fill out a separate application for each dog.
- 🐾 Drop off, mail, fax, or email your dog's current vaccination health certificate.
- 🐾 After review of all documents, a temperament test will be scheduled with you for your dog.
- 🐾 During the temperament test we will discuss your application, answer any questions you might have, and perform the test for your dog(s). There is a one time, non-refundable fee per dog due at the completion of the temperament test.
- 🐾 If your dog passes the temperament test we will then schedule a trial day of daycare. The trial day will be a half day session for us to further evaluate your dog's behavior in a group setting. **Please note that the daycare environment is not suitable for all dogs.**
- 🐾 Once your dog has successfully completed the temperament test and the trial day you are welcome to use our daycare services.

### **DAYCARE RECOMMENDATIONS**

- 🐾 We recommend that you plan on bringing your dog in as close to "check-in" time as possible.
- 🐾 If you plan on bringing your dog for full days of daycare we require that your dog be crate trained. While attending a full day of daycare, all dogs go into crates for Naptime from 12pm-1:00pm.
- 🐾 Repetitive or excessive behaviors can be a symptom of overstimulation. If we notice your dog displaying any behaviors excessively, you will be notified. If so, daycare might not be the right option for your dog's needs.
- 🐾 We all know too much of a good thing can cause overstimulation or over-exhaustion, this also applies to Daycare. We do not recommend bringing your dog 5 days a week. If you need your dog out of the house daily, we offer Daysits to break up their routine.
