ABOUT US

All About Dogs began in 2005 when owner Deanna Cejer couldn't stand leaving her puppy, Montana, behind when she went to work. She decided to open a business where she could bring Montana along. All About Dogs started at 6,000 square feet, and expanded in size and services over the years to meet the needs of our guests. We now stand at 19,500 square feet and continue to grow. All About Dogs was founded by a dog lover, and is staffed by dog lovers. We treat every dog that comes through our doors as if they were our own. We set the standard for exceptional pet services in Northeast Ohio!

DOGGY DAYCARE

We provide a clean, safe, and fun off-leash environment where your dog can burn off his/her extra energy! Our daycare guests are always supervised in separate large-breed and small-breed indoor and outdoor play areas. There is an application process including a temperament evaluation to enroll your dog in daycare. We offer full-day and half-day sessions Monday – Friday to fit your busy schedule.

GROOMING & DOG WASH

Regular dog grooming has important health benefits. Our professional groomers provide a range of services from a basic bath to a full service groom. Nail trims and grinds are a walk-in service. Please call for groomer availability. A self serve tub is also available if you prefer to bath your own dog.
